Extended Stay Form

This form applies to volunteers who wish to serve Loving Arms in Guatemala for a time period longer than or outside the duration of a volunteer team trip. The following items must be given careful thought and planning.

- i. Purpose—a clearly defined written purpose is required from the volunteer. i.e. Why do you want to go?
- ii. Role / Work Plan – A work plan is to be submitted to the President before any agreement can be reached with respect to an extended stay. All parties must agree to the work plan in writing.
- iii. Expectations:
 - Independence – The individual will hire their own transportation, make/pay for their own meals and hire their own guide/translator. Do not forget extra medical insurance.
 - Gifts - No money/gifts can be given to the families or children without going through the President
 - ALL requests (no matter for what or for what reason) must be made by email/in person to the President (not the Guatemalan Director nor workers)
 - Communication: Exchanging phone numbers/emails (without permission from the President) with families or workers affiliated with Loving Arms is not permitted. This could jeopardize your future trips with Loving Arms and may jeopardize their relationship or employment with Loving Arms. This is meant to protect both you and our workers from miscommunications and conflicts of interest, as well as for safety.
